Good evening,

I am writing in regard to the hearing for docket no. 2021-71-T scheduled May 26, 2021. I received notice of this hearing and called the office to discuss next steps and our company's current situation. I was told to send a letter to this e-mail detailing our lapse in insurance and desired steps forward.

I sent an e-mail weeks ago but have not heard a response so I wanted to follow up since the hearing is scheduled for this week.

We do not believe there to be a reason to show up to the hearing as we do not wish to contest our certificate being revoked. We are currently not operating and do not wish to maintain our certificate at this time as we do not know when we will begin operations again. I apologize that we did not send notice when our insurance ceased, however, I was under the impression that our carrier or local affiliate would send notice. Our certificate number is 0360 and I have attached the issuance letter as well for any additional information you may require. We hope to make this an easy process as we are willing to surrender our certification status. The economic impacts of this pandemic have caused our operations to cease so however we can assist in this process without penalty or fee we are more than willing to help.

Please find my contact information below and feel free to e-mail, call, or text for further correspondence on the matter. We hope this receives you well and look forward to being in touch before Wednesday.

Thank you,

- Mike de Kozlowski
